

REMARKS AND SUBSTANCE OF INTERVIEW

Claims 4-7, 11-13, 15-16, and 18-20 are pending in the application. Claim 21 has been cancelled.

In the Advisory Action dated March 3, 2005, the Office indicated that the applicant's previous amendment of claims 4-7, 12-13, 15-16, and 18-20 would be entered and that applicant's claim 21 would not have been entered in the above-referenced application. Accordingly, the applicants have cancelled claim 21.

In a telephone conversation on March 14, 2005 with the undersigned attorney, the Examiner indicated that the application would be in condition for allowance if the applicant cancelled claim 21. Accordingly, the applicant submits that, in view of the cancellation of claim 21, the application is now in condition for allowance.

Respectfully submitted,
